Creating Possibilities

Etac OptimaL toilet arm supports

Modern and elegantly designed arm supports.

Function and simplicity in an elegant combination

OptimaL is an elegant wall mounted support rail. The leg secures the stability and the small wall attachment enables mounting close to the toilet. OptimaL stays safely folded until it is flipped down with the grey handle.

Etac Optima Lockable toilet arm supports

Optima lockable offers extra security and support.

Unique locking mechanism provides extra stability

Optima lockable locks both in the folded down and up position. In the locked folded up position, it provides the user support in a standing position. The unique locking mechanism is easy to operate with one hand. The arm supports cover has a softly rounded end which provides a comfortable and secure grip.
